Press Release

Danbrit Logistics establish a new base in Immingham

Immingham, 1st November, 2004: Danbrit Logistics (Immingham) Limited commences trading today. DanLog Immingham will concentrate its business within all aspects of freight forwarding, especially trailer operation, and liner shipments.

Graham Power is heading the company as managing director. Graham has many years experience within the freight forwarding industry and was until recently heading the freight forwarding division for Associated British Port's ABP Connect.

Graham Power said: " I am very thankful for all the help which ABP Connect has extended to me and my colleagues during the change. I will ensure a smooth transfer of business and customers into the new company structure at DanLog, Immingham."

The board of Danbrit Logistics (Immingham) Limited is; Graham Power, Jan Kroll, David Akroyd and Mike Turner, who will be assisted in the office by Denise Richardson and Lindsay Dalton.

Danbrit Logistics now has it's own offices in Goole, Finningley and in Immingham. The company is looking to continue its expansion within Sea, Surface and Air freight through organic growth and also through strategic acquisitions.

The company's web address is www.danlog.co.uk and general e-mail address is Immingham@danlog.co.uk
